

WHOLESALE RENTAL POLICY:

Rev. 12/25/2011

Rock Quarry Productions' wholesale rental program is operated by our Production Services Department and is provided strictly for repeat entertainment industry professionals, commercial, industrial, and corporate clients as well as our academic and for-worship customers that have utilized our integrated systems installation department as a primary vendor for their facility.

Access to our extensive inventory and special pricing is tailored to each account relative to specific needs and qualifications. Our goal is to make audio visual equipment rental easy and convenient while keeping costs low and logistics efficient.

If you would like to establish a wholesale rental account with Rock Quarry Productions, Inc. you will need...

1. One-page open account application that can be obtained from our business office 919-832-7625. Please allow a minimum of ten working days for any wholesale accounts, depending on the responsiveness of your references.
2. Current insurance certificate to cover all rented equipment naming "Rock Quarry Productions, Inc. as additional insured and loss payee for rented equipment to full replacement value."
3. Minimum opening order of \$500 and minimum of \$1500 per year in rental activity. Opening order to be COD.

Wholesale customers not only enjoy access to inventory not offered to the retail customer, but also special pricing and convenience in making reservations with verbal purchase orders and delivery/pick-up.

In order to keep costs down for our customers and insure dependable availability in reservations, we require all wholesale customers to agree to a 25% fee for any equipment reserved and then cancelled, 50% if the reservation is cancelled on the day the equipment is to be picked up by the client or cancelled the day before the equipment is to be delivered. Equipment scheduled to be delivered to a wholesale customer may not be cancelled on the delivery day without incurring full charges for the cost of the rental and delivery.
